TITLE INDEX

- A differentiated good model of coffee and cocoa exports with reference to the CFA franc zone, 583
- A measurement of firm- and input-specific technical and allocative efficiencies, 393
- A comparison of the economic development policies of county, metropolitan and non-metropolitan district councils, 1007
- A Ricardian excursion to Bermuda: an estimation of mixed strategy equilibrium, 927
- A re-examination of the demand for money in small developing economies, 217
- A structural analysis of external debt and economic growth: some evidence from selected countries in Asia and the Pacific, 1121
- A macroeconomic analysis of the effects of taxation on financing and real investment inequity in Canada, 1037
- Accounting for supply, integration and income in foreign trade, 53
- Advertising, consumer search costs and prices in a professional service market, 1177
- Aggregate health care expenditure in the United States: evidence from cointegration tests, 797
- Allocation and wage structure: differences between men and women, 137
- An evolutionary macroeconomic model of Australian dollar M3 determination: 1967–93, 1109
- An empirical investigation of pension funding levels in Canada, 297
- An empirical study of re-enrolment behaviour for male high-school dropouts, 1071
- An application of a Kaldorian export-led model of growth to the United States, 479
- A empirical analysis of comparative advantage in Egyptian agriculture, 649
- An empirical test of the effects of government deficits on money demand, 239
- An analysis of bilateral intra-industry trade in the food processing sector, 159
- An examination of the traditional aggregate import demand function for Saudi Arabia, 909
- Benefits and unemployment in an open economy: an equilibrium analysis, 765
- Black and official exchange rates in the Pacific Basin countries: an analysis of their long-run dynamics, 399
- Canadian economic growth: random walk or just a walk?, 437
- Causal analyses between exports and economic growth in developing countries, 1145
- Causal relationships among aggregates in China, 1189
- Cointegration analysis and the UK demand for nitrogen fertilizer, 1049
- Cointegration and market efficiency in commodities futures, markets, 249
- Concentration and the inter-industry wage structure: the Israeli manufacturing sector, 121
- Contract selection and performance in competitive bidding for electricity generation, 885
- Convergence, scale and the relative productivity of Canadian–US manufacturing industries, 739
- Corporate finance: stylized facts and tentative explanations, 485
- Cross-section estimating of US demand for alcoholic beverage, 381
- Currency substitution in Turkey, 509
- Did the debt crisis cause the investment crisis? Further evidence, 731
- Direct measurement of hidden labour, 575
- Discrimination and the unemployment durations of white and black males, 969
- Do firms free-ride on their rivals' R&D expenditure? An empirical analysis, 551
- Do women prefer women's work?, 1133
- Dutch Disease, government policy and import demand in Nigeria, 327
- Dynamic implications of absence behaviour, 1163
- Economics and the treatment of AIDS: a preliminary assessment, 1093
- Effects of fiscal policies on US agriculture, 991
- Effects of deregulation on falling thrift institutions, 689
- Employer size and compensation: the role of worker characteristics, 897
- Employer's provision of pensions and sick pay: evidence from the 1990 Workplace Industrial Relations Survey, 229
- Estimates of the demand for ethical pharmaceutical drugs across countries and time, 821
- Estimating the economics costs of electricity shortages using input–output analysis: the case of Taiwan, 1061
- Estimation of the specification error in the Fisher equation, 519
- Excess returns and official intervention: some cross country evidence, 35
- Export composition and growth of selected low-income African countries: evidence from time-series data, 445
- Exports and economic growth in Asian NICs: an econometric analysis for Korea, 41
- Factors influencing the diffusion of electric arc furnace steelmaking technology, 917
- Foreign direct investment and exports: a time series approach, 337
- Government spending and economic growth, 83
- Government spending and economic growth: the G-7 experience, 535
- Gravity models: a reformulation and an application to discriminatory trade arrangements, 107
- Has M2 demand in the USA become unstable? evidence from an error-correction model, 957
- Hysteresis and the earnings function, 465
- International evidence on breaking trend function macroeconomic variables, 175
- Interpretation and measurement of capacity utilization: the case of Korean manufacturing, 981
- Intertemporal consumer behaviour in developing countries, 775
- Is the age 60 rule relevant?, 1055
- Job matching and women's wage–tenure profile, 205
- Labour quality and aggregate real-wage dynamics, 865
- Labour market transitions following redundancy: an approach with time-varying variables, 409

- Market structure and the effectiveness of monetary policy: a cross-industry study, 73
- Married women's hours and participation revisited, 277
- Measurement of profit efficiency using behavioural and stochastic frontier approaches, 181
- Measurement error in the capital stock and its effect on the investment function, 21
- Measuring cartel rents in the college basketball player recruitment market, 27
- Money demand in China in the reform period: an error correction model, 713
- Negativity in an almost ideal import demand system, 627
- New evidence on public sector wage differentials, 259
- Newey-West covariance matrix estimates for models with generated regressors, 635
- Non-linear adjustment of real wages, employment and output in the UK, 459
- Non-nested tests of three competing theories of business cycles, 527
- Oil shocks and the dynamics of substitution adjustments of industrial fuels in the US, 751
- On selecting a measure of labour activity: evidence from registered nurses, 1981 and 1989, 851
- On the number of common unit roots in the term structure of interest rates, 815
- On modelling product heterogeneity in empirical specifications: the formulation and testing of a product quality index, 65
- Portfolio performance with controlled variables in the Singapore Stock Market, 845
- Profit sharing and standard setting in production and procurement management, 95
- Purchasing power parity and real factors, 1029
- Quantity, quality and the welfare effects of US airline deregulation, 543
- Seasonal integration and cointegration: modelling labour demand in Finnish manufacturing, 641
- Self-employment in the midst of unemployment: the case of Spain and the United States, 189
- Shadow prices for a physician's services, 669
- Shiftwork in the UK: evidence from the LFS, 617
- Simple tests of target zones: the Irish case, 757
- Strategic responses to defence sector restructuring: an analysis of Lancashire-based companies, 267
- Strategic rate making in the context of dynamic Ramsey pricing, 363
- Structural change in the UK 1974-84: an input-output analysis, 153
- Terms of trade and exchange rates of New Zealand and Australia, 451
- Testing for unit roots in panel data: are wages on different bargaining levels cointegrated, 353
- Testing the exogeneity of economic time series: an application of innovation accounting, 785
- Testing dynamic specification for import demand models: the case of cotton, 375
- Testing neoclassical and non-neoclassical models of household labour supply, 9
- Testing for units roots: a simple alternative to Dickey-Fuller, 721
- The implications of job matching for retirement health insurance and leave benefits, 425
- The relation of farm size and government programme benefits: an application of data envelopment analysis to policy evaluation, 469
- The estimation of British local government expenditure decisions under a piecewise linear budget constraint, 1099
- The diffusion of judicially provided employment protection: the employment-at-will doctrine, 1159
- The economic benefits of public infrastructure, 303
- The role of legal status in influencing bank financing and new firm growth, 129
- The demand for preventive medical care, 313
- The yield factor and the learning curve in semiconductor production, 837
- The tax versus debt controversy in a multivariate cointegrating system, 1197
- The relative impact of macroeconomic and yearling-specific variables in determining throughbred yearling price, 1
- The Beveridge Curve and regional disparities in Canada, 937
- The effect of EPA enforcement funding on private-sector pollution-control investment, 949
- The impact of provincial marketing boards on price relations and pricing dynamics in the North American slaughter hog market, 677
- The Market valuation of the FGIS grain quality characteristics, 701
- The long-run impact of foreign shocks to the Austrian economy: an analysis at a sectoral level, 803
- The relative importance of monetary and fiscal policies in selected African countries, 1083
- The oil price shocks and the unit root hypothesis: the UK experience, 827
- The determinants of student loan take-up in the United Kingdom, 999
- The role of real and monetary shocks in explaining business cycle fluctuations, 831
- The demand for economic journals, 563
- The early retirement plans of women and men: an empirical application, 591
- The measurement and interpretation of employment displacement, 603
- The measurement and trend of housing inequality in the united states, 1978-85, 1021
- Unions, innovation and investment: Australian evidence, 609
- US dairy policy alternatives under bovine somatotropin, 283
- Voter reaction to tax change: the case of the poll tax, 877
- Wage-determination in the UK: further empirical results using cointegration, 417
- Was the money demand during the German hyperinflation time-varying?, 169
- Welfare cost and health insurance: a disaggregated approach using duality theory and Australian data, 567
- Work experience, earnings and participation: evidence from the women and employment survey, 659
